2010 Shipped Semen Contract

This Stallion Shipped Semen Breeding Contract for the 2010 season is made and entered into this____, day of _____,_____by and between Gullion Quarter Horses, hereinafter designated "Farm" and _____ hereinafter designated "Mare Owner." Mare Owner agrees to have a knowledgeable party inseminate the Mare _____, Registration #:_____, Breed_____ with shipped cooled semen from the APHA Stallion, Arapadude Registration number 219,242 hereinafter designated "Stallion," for the following fees:

- | | | |
|--|-------------------|--|
| 1. Shipped Semen Service Fee for Stallion | \$250.00 | Service Fee will include 1 Shipment with two doses** |
| 2. Deposit on Equitaner & Shipping Costs | \$250.00/ \$30.00 | |
| 3. 2010 Breeding Fee | \$ _____ | |
| Total (Must be paid in full before 1 st shipment) | \$ _____ | **This does not include actual shipping costs. |

- It is understood the Breeder may need to limit the number of Shipped Semen Contracts for any breeding date period. Priority for Shipped Semen will be based upon the date full prepayment has been received.
- Shipping expenses will be deducted from the deposit as necessary (actual shipping costs only). When the Equitaner is returned and the mare is reported in foal, any remaining portion of the deposit will be returned to the mare owner. The Collection and lab fee for each additional shipment will be \$250.00, due before each shipment will be sent.
- Because of the cost and demand for containers during the breeding season, ALL containers must be returned by NEXT DAY AIR (Fed-Ex, UPS, etc.) If the container is not returned and/or has not arrived at Gullion Quarter Horses 3 days after being shipped to the mare owner, then a late fee of \$50.00 per day will be placed on your account.
- This Contract contains a "Live Color Foal Guarantee." A live foal is described as a newborn foal that stands and nurses without assistance. If foal is born dead, there are return privileges for the following (2011) breeding season only if Breeder is notified within 7 days and receives a veterinarian's statement confirming death. If after being pronounced "safe in foal," the Mare should miscarry, abort or prove barren by vet exam, Mare Owner has the privilege to return the Mare for breeding during the current breeding season, February 1 through July 1, or the following year, (2011). The following year will require an additional booking fee.
- Each shipping container will have enough live sperm cells to inseminate only ONE mare two times. Any attempt to breed more than one mare will void this contract.
- All re-breeds will pay Chute fees, Lab fees, Shipping fees, and deposits for shipping containers.
- Re-breeds will be honored for the following breeding season, 2011 only.
- Ordering and confirming the availability of shipped semen is the Mare Owners responsibility.
 - The Stallion will be collected on breeding days only, beginning February 1 through June 15. There will be NO additional collections. (Contact the farm for each month's breeding days)
 - Advance notice of general shipment date is required to guarantee the availability of shipped semen.
 - Once an anticipated shipment date has been established, a confirmed Shipped Semen order must be made before 8AM PST of the collection day, there will be no exceptions.
 - Counter to Counter shipments via the airlines will be available. The mare owner will be responsible for the courier charge for delivering the shipping container to the Sacramento International Airport. The charge is \$50.00 per trip.
Please specify airport: _____
- All parties agree to follow the Associations Rules and Regulations with regards to the Shipment of Cooled Semen and this contract will be interpreted and enforced under the laws of California.
